

Melbourne Rudolf Steiner School
High School Information Morning

Tuesday October 17th, 2017

9.30 am in our Acorn Room

We invite you to meet some of our senior high school teachers and hear them present a short talk about their subjects focusing on the year 7 – 10 curriculum and how we meet VCE requirements in years 11 and 12. Maths, Physics and Chemistry, English and Literature, History, Music, Art will be some of the subjects represented.

Teaching teenagers is a most wonderful task; it involves meeting the intelligence, idealism and good will of the young people, and guiding them with knowledge and enthusiasm for their future lives.

All welcome. There will be a morning tea after the talk in our dining room at 10.30 am where you can meet and talk with other members of our high school staff.

Bookings: Phone 03 9876 2633
